

CROSSROADS

CONVERSATION

Crossroads, Crossing, and Convergence features an artist collective and eight contemporary female artists of diverse ethnicities who immigrated to the United States and settled in Los Angeles. Crossroads refers to each woman's personal story and how they have transformed their cultures and/or converged them with other influences to help create LA's unique creative environment. The artists in this show are a vibrant part of the LA art dialogue. Crossing refers to crossing a border, reaching a new horizon, and redefining boundaries. Convergence refers to intersectionality and how various cultures interweave and converge their identities, or resist doing so.

The featured artists here are women of diverse backgrounds, making history while ensuring that the vital pulse of LA's art scene continues to beat in an ever-changing society between Crossroads Crossing and Convergence.
